

MOZILLA NATION – YOUR COUNTRY, THE WAY YOU LIKE IT

The only country that respects your privacy. Your data, and your life are yours and yours only.

The Land of your Dreams

A country that truly puts people first, where individuals can shape their own experience and are empowered, safe, and independent. Mozilla Nation is an act of human collaboration unprecedented in history, a democracy like no other.

DATA
The right to own your data. We do not sell

The First True Democracy

Mozilla Nation seeks to debias this system of distributing authority through active interventions that engage and encourage participation from diverse communities.
